

2019 Sorella

ANDREW WILL

2019
CHAMPOUX VINEYARD
HORSE HEAVEN HILLS

Sorella means sister in Italian and was named after Chris Camarda late sister Jane Camarda. This first vintage was from 1994. This wine is made from 100% Champoux Vineyard fruit and represents the nature of the vineyard by highlighting the Cabernet Sauvignon, which is considered some of the best in Washington State. The picture on the label is a portrait of Annie Camarda (Chris's late wife).

The 2019 Vintage was a relatively even growing season which started slightly later than normal. The summer months were marginally cooler than the past few vintages which carried on into early fall. One of the markers for the vintage will be the consecutive cold snaps in October, forcing us to make quick picking decisions to avoid frost damage. In the end we did not see any frost damage or issues with our fruit and ended up with a truly great vintage!

(99 Points – Wine Advocate) Flirting with triple digits, and perhaps the best Sorella yet, the 2019 Sorella explodes from the glass with a fantastic mineral essence that sways between dark red fruit tones, oak essence, and freshly opened flowers. Medium to full-bodied, the wine is impeccably balanced with a silky-smooth mid-palate that bestows a stunningly beautiful wine with gobs of complexity and a ripe frame of glossy black raspberry and blackberry fruit tones. Unwinding across the finish, the wine unpacks gorgeous layers that seduce me for a second, third and fourth sip and finally begs me to finish the glass. Buy this ASAP!

(97 Points – Jebdunnuck.com) Deep purple-hued, with a great nose of cassis, blackcurrants, tobacco leaf and lead pencil, it hits the palate with medium to full-bodied richness, silky, polished tannins, and terrific overall balance. It shows the pure, elegant, seamless style of the vintage and will benefit from 3-4 years of bottle age and evolve nicely for at least two decades. This is pure class.

Composition: 80% Cabernet Sauvignon, 8% Merlot, 8% Cabernet Franc, 4% Petite Verdot

Alcohol: 14.5 %

Vinification: Indigenous yeasts, no filtering, no fining, minimal SO₂ (Vegan)
